KEVLAR DEFENDER GLOVES

Design Features

- Ergonomically designed for maximum comfort and protection
 - Fully lined with slash resistant Kevlar fibre provides protection against edged weapons
 - Slash, tear, abrasion, cut, and puncture resistant
 - Used by military organisations, security teams and law enforcement officers
 - Made from high-quality genuine leather
 - Built to perform in the harshest environments
 - Smart appearance with discreet protection
 - Remain soft enough to fold and stow in a trouser pocket
 - Thin lining helps to maintain dexterity while performing tasks
- An Independent review called the Defender gloves
"The best gloves they'd ever seen"

Manufacturing Standards

- The gloves conform to British Standard (BS) EN388, testing gloves for abrasion, cut, tear and puncture resistance
- Tested and approved to level 5

Multi-purpose design

- General patrol duties
- Rapid entry
- Covert operations
- Abseiling
- Gardening
- Driving

Sizing options

- Available in sizes Small - XXL
